

DETAILED ACTION

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Ms. Jayme Torelli on 6/29/2009. The application has been amended as follows:

In line 6 of claim 1, insert – on an electronic device – after “content”.

In line 7 of claim 8, insert – on an electronic device – after “content”.

Allowable Subject Matter

2. Claims 1-3, 5-17, and 19-26 are allowed over the prior arts of record. The following is an examiner's statement of reasons for allowance: the prior arts of record fail to specifically disclose that the translation process details specifying, for a particular word in the content, a context that is based on words in the content surrounding the particular word in which the translating occurred; and receiving feedback from the user pertaining to the translation based on the translation process details, wherein the feedback includes at least one of: selecting a subject area of the content, inputting the original content, and inputting an expected result. Furthermore, it would have not been obvious to one of ordinary skill in the art at the time of invention to modify/combine the

prior arts of record in any way in order to derive the claimed invention. Therefore, claims 1-3, 5-17, and 19-26 are allowed over the prior arts of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
